Whatever space you're creating, we're here to collaborate with you, every step of the way. From those early ideas and sketches to the final, precise fit, we'll give you all the advice, guidance and hands-on help you need to get an incredible job done.

We love the materials we work with, and we know you will too. Every order is crafted by hand in our Yorkshire factory, and our dedicated team will be on hand to support your project from inspiration through to installation.

With over 35 years' experience, we've always got new trends and techniques to bring to the table. Our beautiful stone collections have been hand-selected from all over the world, enabling our customers to have a space they can be in awe of.
